This spirited corps of citizen soldiery, will appear to day in honor of the occasion of thich it is the anniversary. The Guthrie rays were organized on the 18th of April, piece especially, was quited spirited. 1854, and made their first appearance on parade, on the fourth of July of the same year, with twenty-six men bearing muskets, and commanded by Capt. P. N. Guthrie, a gentleman who previously gained a high reputation for courage and conduct in the Mexican War, and who has since deceased. As commanding officer of the Grays Capt. Guthrie was succeeded in July 1856, by Capt. T. T. Swift; and he, during the same year, by Capt. W. K. | were held to buil yesterday morning before Judge Bosley. With a force of sixty men, the Greys held their first encampment at Lebanon July 1856; and in the following July, with a force of eighty men, at Middletown. At present the Greys constitute a battalion, with the following officers; Capt. D. E. Engart, 1st Company, Capt. J. V. Guthrie, 2nd company, and have a force of one hundred and thirty-four men, rank and file; with numbers constantly increasing, a treasury out of debt a property of over four thousand dollars in value, and camp equipage and armory unsurpassed in order and completeness by any in the west; and it is not too much to say that they pride themselves upon the goodness of their conduct and a bearing fitting for gentlemen and soldiers. Under such auspices, with such men and such a history it is fair to wish for the Greys a

PIKE'S OPERA HOUSE. - Besides a most stately and graceful building, whose exterior is an ornament to the city, Mr. Pike has provided for 16 the amusement and improvement of our citiit is said, in the world. Nowhere will music be invited to occupy a more luxurious habitation, and nowhere will those who wait upon her enchantments be more choicely accommodated. This undertaking has been to him, to all appearance, a labor of love. He has literally done it regardless of expense, and it is to be hoped that his public spirit will be appreciated as it deserves by his fellow-citizens. The entertainment of to-night, by which the building is to be dedicated, will be such a one as was never probably surpassed in elegance and completemess upon this continent.

auture that shall resemble the past.

FREE FIGHT .- A free fight took place yesterday about one o'clock in a house of ill-fame on the North side of Fifth-street, near Western Bow, in which some ten or twelve men took part. It appears that a man named Thomas Wiggins together with his companion were sitting quietly in the house, when a party of railroad men entered and commenced an onslaught upon them with ale bottles, chairs, pokers, spittoons, &c. We understand that things progressed finely until the arrival of Lieut. Cook, of the police, who put a stop to the amusement by arresting Eugene Townsend, Thomas Wiggins, Margaret Brady, Ann Green, and Elizabeth Finney, the latter of whom is the keeper of the brothel. They will undergo an examination before Judge Pruden this

RELIEF FOR ANTIOCH COLLEGE -- Rev. Dr. Day announced from the pulpit of the Unitarian Church, Sunday morning, that he was in the city for the purpose of receiving money to assist in the purchase of the above-named College. He stated that already \$27,000 had these subscribed by Boston, and \$18,000 by New Yark, with the provision that the remaining \$9,900 could be received in this city, Louisville and St. Louis before the first of April, at which time the property is to be sold. The Trustees of the College, we believe, have a claim upon the building which will be suffielent in connection with the above to secure it no themselves.

SERIOUS, PROBABLY FATAL ACCIDENT. - A man named Joseph Hanneman, who was at work upon a building on Linn-street, a few dicors above Sixth, fell from the upper story to "be cellar, striking his head against a stone and severaly fracturing his skull, breaking his ribs, and otherwise injuring himself to such an extent, 1 hat, when we heard from him lastlate yeste, day afternoon-it was feared he could not recover. He resides with his family on Everett-street.

# POLICE COURT.

Yesterday morning forty-five cases, most of them hard ones,-were disposed of by his honor, Judge Pruden. The usual number of professional lonfers occupied their space without the bar while the usual professional jurors maintained their equanimity and dignity

Pat Me. Donough a strapping Irishman put his better half's peepers in mourning, for which he was sent on bread and water diet for three days, and Mrs. Mc. Donough was fined \$3 for originating the disturbance.

Thomas Foley unfortunately allowed his fist to run against the countenance of Maria Brown, Thomas was sentenced for ten days. A number of vagrants, bloated, bleared and destitute were sent to the city prison for 30

Jos. Bicknell was arraigned for destroying The property of Miss Emma Stanley. Joseph was on a huge spree and terminated it by mashing Emma's windows and getting himself in the watch house. He was let down gently with a fine of \$10 and costs.

James Hickey for assaulting and beating his daughter, about 12 years of age, was held to bail in \$100 for a hearing to-day.

Edward Castello was arrested for stealing a saw log, but proving a good character, and also the right to take in out of the wet drift wood, he was discharged.

Mrs. Sarah Galdstein was placed upon the bench for making a violent demonstration upon the person of Mrs. Rebecca Hyman. It appeared by the evidence, that both of the parties were to blame, both used rough language, and both felt disposed to fight, so the court let them retire, by dividing the costs of the case between them.

A number of petty cases, drunkenness, assaults, Ac., were disposed of in the usual way.

SHERRY'S SALES .- Six pieces of property were offered for sale by the Sheriff yesterday, three which were sold, viz:

Lot cast side of Elm street, south of Pearl, 20 by 60 fact, appealsed at \$3,500, was sold to Edward Preston, for \$2,400,

Leasehold lot east side of Western row, commencing 50 feet north of Mason, being 30 feet front on Western row by 158 deep to Providence street, appraised at \$7,300 for lease and improvements, sold to J. H. Kroger for \$4,866 67. Lot 20 feet front on north side Eighth street,

PARREST OF ROWDIES .- On Sunday morning the house of Mary Gibbs, on Seventh, near Culvert street, was attacked by a gang of rowdies, and the doors, windows and furniture put through a process of demolition. The police captured five of the bolligerent individuals, viz: Erastus Collins, Patrick Turner, Wm. Dr. Gro. W. Phillips, Chelmanti, Ohio:—Having used several small bottles of your "Cough Syring personally and in my family, and having seen its offects on others, in numerous instances of severe cold and coughs, I most cheerfully recommend it as an infallible remedy in all such cases. If this Syring were in general use, I confidently believe a large majority of the colds, accompanied by coughs, that now terminate in Consumption, would be effectually arrested. In fact, I can see no necessity for any, who can obtain this remedy, being thus afflicted.

Laryngitis Cured without Faith. From Rev. Jas. Brown, Minister of the Reformed Presbyterian Church, Madison.

Presbyterian Church, Madison.

Dr. Gro, W. Phillips—Dear Sir: About a year ago I had an attack of Laringitis, to which I have been spipled for a number of years. Learning that this was the fact, you handed me a bottle of your Cough Medicine. My confidence in your preparation was, I confess, not great. Nevertheless, as it was innocent and could do no harm. I was induced to try it, and I am happy to say, with entire success. It not only cured me then, but I have had little or no affection of the kind since. This statement is cheerfully given, with the hope that others may be induced to follow my example, and receive the same benefit.

I am yours, &c.,

CINCINNATI, Dec. 5, 1856. Dr. G. W. Phillips—Dear Sir: Your Cough Mixture has been used with great success in my family. I believe it to be a most safe and effectious preparation for the cure of ordinary colds, as well as of chronic affections of the throat and lungs. Many of my neighbors, who have felt the good effects of this medicine, assure me that they regard it with great favor.

## EYE!

Dear Sir: Nothing can afford me more pleasure than to offer you my thanks for the promit relief which you have brought to my sight. My professional duties have lately weakened my eye so much as to prevent me almost from reading in the evening, and it was with the greatest efforts that I could really do so; but these offerts were followed on the next day by heavy gains in both eyes and constant inflammation, which was the more trying for me as I always could only make use of one eye, the right one being covered by a freekle from inflancy.

Your arrival in this city has been highly beneficial to me. You have not only ing very few days relieved me of pain and inflammation, but you have also strengthough my sight, and greatly relieved the freekle which covered my other eye. All this was done without any consistion of my professional duties, and at the expense of the most trifling sma which ever could be paid to any physician.

In expressing you my satisfaction I intend merely to do justice to your eminent skill as Oculist, and whonever this testimonial can be of any use I wish you to multish it for your advantage, as on my side I will always confirm this statement verbally.
